Lennol Oy – responsible expert in soft furnishings and upholstery padding

Here at Lennol, we design and manufacture soft furnishings, bedlinen and bedroom furnishings, as well as upholstery padding for companies and the public sector. Together with our customers, we carry out comprehensive and wide-ranging interior design projects, combining our know-how of today's materials and possibilities with our strong visual style and expertise.

Our family-owned company has been in business for more than 50 years, since 1967. Our factory in Jalasjärvi, South Ostrobothnia, provides employment for almost 30 people.

We are proud to be an advocate of responsible Finnish manufacturing.

Pirjo Pystykoski-Seppänen, CEO

FURNITURE INDUSTRY

We manufacture various types of foam and padding, such as seat, back and armrest padding for sofas and detached cushions at our factory in Jalasjärvi – tailor-made to meet our customer's needs.

We use responsible materials in our padding, such as recycled polyester, foam shavings produced from industrial by-products and feathers and down. You can also order high-quality Textum upholstery fabrics from us.
